EYE WASH STATION

**Wall Mounted Eye-Wash Station Moulded Food Grade ABS Finish
Model No: LQ-GXY**

**Wall Mounted Eye-Wash Station
Stainless Steel Finish
Model No: LQ-GXY-S**

SPECIFICATIONS:

- Eye-wash station, wall mounted, fitted with 2 large upturned spray heads to direct the water spray gently into the eyes.
- The sink bowl is approximately 12-inch in diameter and is fitted with a lower hand operated valve.
- Thermostatic mixing valve is required so that the water spray is delivered at tepid or required temperature.
- The eye-wash sinks are fully assembled and tested before delivery.
