

SPRING LOADED TROLLEY

- ❖ Spring loaded laundry trolley for large washed flatwork including towels, bedsheets, table cloths.
- ❖ Stainless steel framework completely protected by heavy duty washable smooth canvas or nylon covering to protect flatwork, and mounted on 6 Nos heavy duty castors with brakes.
- ❖ The loading bed is held with high tensile springs which lower the bed as weight / load increases.
- ❖ This trolley is specially used to differentiate large flatwork loads especially at feeding stations for flatwork ironers.
